

Certificate IV in Hairdressing

(Course Code WRH40106 / CRICOS Code 063573G)

Course Aims

The Certificate IV in Hairdressing has been designed to expand the development of the complex technical skills and knowledge of hairdressing practitioners.

Likely functions in the hairdressing industry for those who achieve this qualification may include employment as a highly skilled hairdresser, working as part of a salon team or coordinating a salon team; a technical adviser with a hairdressing products company; or independently as a freelance session stylist. Functions at this level include the self-directed application of a broad range of knowledge and skills and the provision of technical leadership, training and support to colleagues. A hairdresser at this level may provide specialist services, including haircutting, hair design, hair colouring, complex colour correction, hair extensions, chemical reformation, trichology and make-up application.

Course Structure

Participants need to complete eleven (11) units of competency, consisting of:

Seven (7) core units

Four (4) elective units from the elective unit list

WRHCL305A	Perform on scalp full head and re-touch bleach services
