Admissions Policy and Procedures – International Students

1. Rationale

This policy has been developed to meet the requirements of the VRQA Minimum Standards and with Standard 2 of the National Code – Student Engagement Before Enrolment.

Ozford must ensure that students’ qualifications, experience and English language proficiency are appropriate for the course for which enrolment is sought – documented procedures must be in place.

3. Scope

This policy applies to all Ozford’s prospective and existing students.

4. Policy

Ozford College has an open entry enrolment policy. Preference in enrolment is primarily determined by the applicant’s date of enrolment. Ozford’s terms and conditions of enrolment take into account the requirements of laws relating to the school registration, international students, privacy, discrimination and equal opportunity. Students with disabilities will be considered for enrolment along with all other eligible applicants.

Applications will be assessed ensuring rigorous selection processes are followed and students will be accepted if:
