Fairness

Respect
Mutual respect is to be extended between staff members and students in the resolution of any behavioural issue(s);

Respect should also be exercised in the implementation of any disciplinary measure with the focus on the events giving rise to the behaviour and not on the offender.

Firmness
Students are to familiarise themselves with the Code, Policies and Procedures at Ozford and to seek clarification if they are unclear thereby avoiding non-compliance.

Non-compliance of the regulations will result in the student being subject to investigations of the matter and disciplinary measures for inappropriate behaviours will be adopted.
Consistency
The Code, Policies and Procedures will be communicated clearly to the students and the manner of resolution of any breach by any person will be consistent throughout; and

Admirable conduct will be recognised and rewarded on a termly basis.

4. Disciplinary Measures

- an initial verbal warning;
- time limited withdrawal from class;
- conduct card arrangement;

- a permanent expulsion and a possible referral to the relevant authority or authorities in the event the behaviour constitutes a serious breach of the legislation.

Ozford’s complaints and the appeals policies and procedures will be adopted in the investigations and anticipated resolution of the complaint(s) as it sees fit.

In ensuring fairness is exercised throughout the process of implementation of disciplinary action, the staff member should take into consideration the following:

- the nature of the behaviour;
- the student’s age;
- the circumstances surrounding the inappropriate behaviour;
- the interest, health, safety and wellbeing of the student(s);
- the impact on the student’s engagement;
- a duty of care to the student(s); and
- the family circumstances of the student(s).

Suspension is a serious disciplinary action and as such should only be utilised in the event other disciplinary measures have failed to affect a satisfactory outcome. A student shall not be suspended for a period of time greater than nine school days in any one school year.

Expulsion is a severe form of sanction and to be exercised only in the most serious circumstances.

The English Language Centre Coordinator, the Head of Education Programs or the Head of Student Services at Ozford have the authority to make the final decision with regard to suspension and expulsion of a student.

Parents/guardians/carers of students under the age of 18 will be notified via phone call and /or written notification in cases of serious discipline action being taken such as suspension and expulsion.
