<http://www.ozford.edu.au/how-to-apply-international-students-only/>

All successful applicants will receive an offer letter and acceptance agreement from Ozford. Upon receipt of a completed Student Acceptance Agreement and payment from international students, the delegated admissions staff will issue a Confirmation of Enrolment (CoE) to students.

### **Genuine Temporary Entrant Requirements**

The genuine temporary entrant (GTE) requirement is an integrity measure managed by the Australian Government Department of Home Affairs (Home Affairs) to ensure that the Student visa Programme is used as intended and not used by international students as a way of maintaining de facto permanent residency in Australia.

The GTE requirement has improved integrity in the student visa program and ensures that only genuine applicants are granted a student visa. To be granted any student visa, applicants must satisfy to Home Affairs that they have a genuine intention to stay in Australia temporarily. When assessing the GTE requirement, Home Affairs will consider the requirements set out in Ministerial Direction 53. This requires Home Affairs to be satisfied that the student visa applicant genuinely intends to stay in Australia temporarily having regard to:

- the applicant's circumstances
- the applicant's immigration history
- if the applicant is a minor – the intention of a parent, legal guardian or spouse of the applicant
- any other relevant matter.

Please see Immigration website for more information.

As part of student admission process and in support of Home Affairs GTE requirement, Ozford conducts GTE Interview with applicant before enrolment can be confirmed. These factors will be discussed in the interview before enrolment is confirmed.

- a) the student's circumstances in their home country
- b) the student's potential circumstances in Australia
- c) the value of the course to the student's future
- d) the student's immigration history

- ✚ You **cannot** undertake work until you have commenced your course in Australia. You **must** remain enrolled in a registered course (unless you are an AusAID/Defence student or secondary exchange student in which case you must maintain full-time enrolment in your course of study or training).
- ✚ **Note:** a registered course is one that is on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).
- ✚ You **must** maintain adequate arrangements for health insurance during your stay in Australia.  
**Note:** Under policy, this means that you must maintain Overseas Student Health Cover (OSHC).

For more information about visas for dependants of student visa holders, please see the Department website: [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au)

## Health Cover

Medical treatment in Australia can be very expensive, so everyone should have some form of health insurance.

If you are on a Student Visa, one of the conditions of the visa is that you **must** maintain adequate arrangements for health insurance during your stay in Australia.

If you are on a Tourist or Working Holiday visa you are not covered by Overseas Student Health Cover and must make your own insurance arrangements before you travel.

## Climate

Melbourne has very changeable weather and has been said to have 'four seasons in one day'. Average temperatures are:

- ✚ November to April (Maximum 18 - 38C, Minimum 6 - 11C)
- ✚ May to October (Maximum 13 - 19C, Minimum 5 - 9C).

## Clothing

You will need to bring clothes for both summer and winter. Most Australians dress casually unless they are working or going to a formal party or job interview. You will need:

- ✚ light, comfortable clothing for the warmer months
- ✚ jumpers, jeans, jacket and boots for the colder months
- ✚ raincoat and strong umbrella, as Melbourne can get wet and windy.

## Cost of Living

Melbourne is not very expensive compared to other cities in Australia. Please allow a minimum of AUD \$20,290 per person per annum for living costs.

Here is a list of common expenses:

- ✚ Rent
- ✚ Food and groceries
- ✚ Utilities such as electricity, gas and water
- ✚ \$35 - \$50 per week for lunch
- ✚ Transport cost
- ✚ local calls from public phones cost 50 cents. Some phones take only phone cards that can be bought at newsagents and shops showing the phone card sign. You can also make long distance (STD) and international (ISD) calls from public phones. For international calls, it is cheaper to buy a pre-paid international calling card with a PIN number from convenience shops and newsagents
- ✚ Homestay arrangements costing from \$300 - \$350 per week.

The figures above are indicative only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

See Study in Australia website for more information:

<https://www.studyinaustralia.gov.au/global/live-in-australia/living-costs>

The living cost amount for applicants for student visas and the student guardian visa as outlined by Department of Immigration and Border Protection are as follow:

- AUD 20,290 per year for the main student
- AUD 7,100 per year for the student's partner
- AUD 3,040 per year for the student's child

International students need to demonstrate and/or declare that they have genuine access to the living cost amount to be granted a Student visa. Applicants may have to demonstrate sufficient funds to cover these expenses for the first one or two years in Australia, depending on their assessment level.

The Student visa living cost amount applies to all dependants regardless of whether or not they intend to accompany the main student to Australia.

## **Education Services for Overseas Students (ESOS) Act**

The ESOS Act sets out the legal framework governing delivery of education to overseas students studying in Australia on a student visa. The Australian Government, through the Department of Education, administers the ESOS Act and its associated instruments.

The Education Services for Overseas Students (ESOS) Act 2000 (the Act) governs:

- the registration process and obligations of registered providers
- the Tuition Protection Service; and
- Enforcement and compliance powers.

The Education Services for Overseas Students (ESOS) Regulations 2001 support the implementation of the ESOS Act 2000 by setting out in detail requirements including:

- information that must be entered on the register about the provider and each course by location
- student details that providers must include on the Provider Registration and International Students Management System (PRISMS), including information about tuition and non-tuition fees
- information about students that providers must give related to student visa conditions
- penalties and infringement notices
- student records that a provider must keep.

For more information, please refer to: <https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx>

### ***National Code 2018***

The National Code is a set of nationally consistent standards that governs the protection of overseas students and delivery of courses to those students by providers registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). The National Code 2018 contains:

- A description of the principles and guidelines that underpin the National Code 2018;
- A description of the roles and responsibilities of state and territory governments;
- Requirements for CRICOS-registered providers; and
- Standards for CRICOS-registered providers.

The standards for registered providers set out the obligations in delivering education and training to overseas students. These standards detail the specific requirements registered providers must meet and cover students during pre-enrolment, care for and support services to students, consumer protection for students and the student visa programme requirements.

### ***Tuition Fee Protection***

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:

- complete their studies in another course or with another education provider or

For more information, please see: [www.tps.gov.au](http://www.tps.gov.au)

## **Other Useful Information**

### **Food**

Most Asian products and most European foods products are readily available in Melbourne and you do not need to bring these with you.

### **Currency**

Australia uses a dollars and cents system of decimal currency with 100 cents in a dollar. The bank notes in use are \$5 (purple), \$10 (blue), \$20 (orange), \$50 (yellow) and \$100 (green). Coins used are silver 5 cents, 10 cents, 20 cents and 50 cents, and gold \$1 and \$2 coins. Australian currency is the only legal tender in Australia.

Changing foreign currency or travelers' cheques is usually no problem at banks throughout Australia or at licensed money-changers such as Travelex or Amex in cities and major towns.

### **Customs and quarantine**

As Australia is an isolated continent and is relatively free from pests and diseases, there are very strict quarantine laws controlling the importing of food and plants.

**Don't bring** any plant or animal material into the country (e.g. mushrooms, fruit, Chinese herbs, pork, noodles, spices etc.) However, if you must bring any of these please remember, all food and plants you bring into Australia must be declared at customs.

For more information, please refer to Home Affairs website.

### **Electrical appliances**

Electrical appliances operate on 240 volts. The Australian three pin plug is different to that in many other countries and will require an adaptor plug. Electrical appliances can be bought cheaply in Australia.

### **Consumer Protection and scam**

Scams target people of all backgrounds, ages and income levels across Australia. Scams succeed because they look like the real thing and catch you off guard. Every year scams cost Australians millions of dollars as well as cause considerable non-financial harm.

Many Australian colleges have recently become aware of a tuition fee payment scam targeting international students. Scammers, claiming to be authorised international 'agents' of the colleges, are offering to pay students' tuition fees directly on behalf of the student at a discounted rate. The scammer makes a payment to the college on behalf of the student and instructs the student to pay them the reduced tuition fee amount. The payment to the college is subsequently dishonoured, as the scammer has used a fraudulent credit card to make the payment. Victims of this scam lose the money they paid to the scammer, and are still required to pay the full tuition fee amount to their college.

Please note that scammers may also use other methods and Ozford advises all students to be aware.

To avoid becoming the victim of a scam you should ensure that you are familiar with the formal Ozford payment methods. If you are a commencing student, please ensure you use one of the Ozford Authorised Student Agents which can be found on Ozford website.

If you have any questions or want to verify the authenticity of any payment method or agent, please contact Ozford directly.

Be alert to the fact that scams exist. When dealing with uninvited contacts from people or businesses, whether it's over the phone, by mail, email, in person or on a social networking site, always consider the possibility that the approach may be a scam. Remember, if it looks too good to be true, it probably is.

Always consult Ozford staff first and verify the legitimacy before engaging any third party or persons claiming to be an affiliate of Ozford. Especially matters of financial nature such as tuition fees.

Know who you're dealing with. If you've only ever met someone online or are unsure of the legitimacy of a business, take some time to do a bit more research.

Beware of any requests for your details or money. Never send money or give credit card details, online account details or copies of personal documents to anyone you don't know or trust.
